Directions to the Cornell CVM Hydrocremation Service

The CVM HydroCremation Service is located at the College of Veterinary Medicine on the Cornell University Campus in Ithaca, New York. Please note that the Service is located near, but not in the same building as the Cornell University Hospital for Animals.

The Service is open 7:00am to 3:30pm, M-F. Dropoffs outside of these hours can be arranged upon request.

Directions from Rt. 366/Dryden Road (map on next page):
- Take Rte 366/ Dryden Road to traffic light at Caldwell Drive (Between the Cornell Orchards and the Hamlet of Varna)
- Turn North onto Caldwell and proceed through the (3-way stop) intersection with Campus Rd.
- Turn Left onto Farrier Road immediately past Campus road (look for brown sign on the right side of Caldwell with "Hydrocremation Service" near the bottom)
- Follow the brown signs on Farrier Road as the route turns right and bends to the left past the Veterinary Diagnostic Lab building.
- The Hydrocremation Service loading dock will be on your left in approximately 100 yards
- Park in the designated short-term spot at the end of the ramp - the facility door is in the corner of the loading dock behind the white storage trailer. The facility staff wear uniforms with burgundy shirts; if you can’t see anyone just inside the building, call the facility phone (253-3288) and they will come to you.

The facility’s address is 317 Farrier Rd, Ithaca, NY 14853; GPS maps show this address approximately 100 yards east of the facility on Farrier Rd, near the Veterinary Diagnostic Lab.

Call 607-253-3288 (HydroCremation Service) or 607-279-7365 (Paul Jennette’s cellphone) if you have additional questions or need assistance.
