Colin Young, postdoctoral associate in the Davisson Lab, was awarded a 2-year American Heart Association (Founder’s Affiliate) Postdoctoral Fellowship starting January 1, 2013 for his proposal “Dissecting the role of brain NFkB in obesity-induced hypertension”. Colin’s was one of only 17 grants funded out of 150 applications. Congratulations, Colin!

Please join us in congratulating Brian Butler for receiving two awards at the AAVLD conference that he attended the weekend of October 20th. Brian received the “Best Presentation in Pathology” award and the travel award with the project: “Canine colorectal tumors and progression to malignancy”. Congratulations Brian! The awards were not only showing your hard work but also put Cornell University’s Section of Anatomic Pathology once again on the map!

“Winter is the time for comfort, for good food and warmth, for the touch of a friendly hand and for a talk beside the fire: it is the time for home.”

— Edith Sitwell

Congratulations to Dr. Adam Boyko, his wife Kelly, and their family on their newest member.

Callen Reed Boyko was born on Friday November 2nd at 3:21. He was 4 lbs. 5 oz. and 17 inches.
Administrative Staff in The College of Veterinary Medicine are invited to Administrative Networking Lunches (you bring your lunch - Beverage and Cookies provided). These luncheons are held once a month. Keep your eyes open for an announcement of our next Administrative Networking Lunch.

The Points of Interest Newsletter is published bi-monthly by the Department of Biomedical Sciences of the College of Veterinary Medicine at Cornell University.

Thank you to all our generous elves for your kind donations!
